HANSKOM PARK CHURCH NEWSLETTER
 SEPTEMBER 2010

The Heart Of Hanscom

We are at a critical juncture in the life of our church and our service to God. This Sunday, we will be voting on a resolution to borrow money so we can repair our church building. This is not a decision that should be entered into lightly. We should all pray for guidance and support as we move forward.

Does the work need to be done? Yes. Is it critical to do it now? Yes. Do we need everyone's support? Yes. The last question is the most critical one. We desire to pay this loan off as quickly as possible in order to minimize the interest charges. That means every dollar counts.

I am happy to report that many of you have made a cash donation or committed to a 3-year pledge for the Forging the Future campaign. There are others who have not yet made that commitment. It is important that we achieve 100% participation. Perhaps you cannot make a 3-year pledge and perhaps you can't give \$5,000 in cash, but perhaps you can give something.

Every gift counts and no gift is too small.

Thank you for helping Hanscom Park
 "Forge the Future"

THANK YOU

Hanscom Park Congregation,

 I want to thank all of you for your outstanding support for my husband, Logan. He received a prayer booklet while in the hospital. He kept it on him or near him the entire time.

He was comforted by his little "blankie" and I to appreciate that you provided him with that comfort.

We also appreciate all of the prayers being said for him. I always liken the power of prayer to this. One person can walk across a bridge and have some effect; one hundred people walking across a bridge in cadence can bring down that bridge.

Thank you for your continued support and prayers. You will all be blessed by your kindness. Peace and blessings be upon you all.

--Logan and Leah Fontenelle

Trustees Update

FALL CLEAN-UP

Everyone mark your calendars! We had so much fun this last spring that we are going to do it again this fall. The trustees have already got some ideas for what needs to be done, and we will need more people. After the craft show look for clipboards to be passed around in church.

This clean up day will be the biggest ever! Rain or Shine or Snow! Sadly to say, we will be skipping cleaning the windows this time around.

I know Steve Berger was looking forward to that. To all department heads, this is the perfect time to clean out your area, we will have help to haul away.

-Happy Cleaning from the Trustees

JOASH UPDATES

The trustees have contracted one of our members, Ian Laing, to make the new signs for the southwest corner of our lot. The idea was awesome, I can't wait to see the final product.

Also, we picked the color for the new curtains in St Andrews Hall, the materials have been ordered.

Tara got her new chair and a mat to roll on. Thanks to Janet Trevino for donating the office chair.

Also, sadly the air conditioners in the nursery decided to die on us, so we will be getting those replaced. The trustees decided to use some of the extra funds from JOASH this year to cover that expense.

and the Trustees*
